COASTAL ORTHOPEDICS ANNOUNCES SPONSORSHIP WITH THE LWR CHARGERS SC

LAKEWOOD RANCH, FL – Coastal Orthopedics and the Chargers Soccer Club at Lakewood Ranch are excited to announce a partnership featuring the Coastal Orthopedics logo on all of the training jerseys over a two-year period.

The multi-year sponsorship will help with the scholarship fund and provide financial support for those players who otherwise may not be able to afford to play and will help give our players in our community the opportunity to keep competing at the highest level within the LWR Chargers SC competitive program.

“We are happy to support the Chargers Soccer Club” said Dr. Daniel Lamar. “One of the ways to give back to the community is through partnerships like this, which allow young athletes to be involved with team sports. We look forward to working with the Chargers Soccer Club for the next two years.”

“We are thrilled about this partnership, and welcome Coastal Orthopedics on board as one of the LWR Chargers SC official sponsor,” said Antonio Saviano LWR Chargers Technical Director. “Our members can be proud to have the professional support of such a fantastic healthcare organization that will give our players access to very important resources,” he added. “Additionally, this partnership will help many players who would not otherwise be able to participate in the sport they love.”
